

Complimentary Ticket Policy

Complimentary Tickets for Cottage Theatre volunteers and staff

Cast, production team, and running crew volunteers are entitled to two complimentary tickets to the show they are working on. These comps (or associated cast/crew discount code) will be distributed by the show's Stage Manager early in the public ticket sale period. These comps may be used for any performance during the run, though volunteers are encouraged to use their comps for the first two weekends in the run whenever possible.

Permanent Cottage Theatre staff members are entitled to two complimentary tickets to each Cottage Theatre main season show.

Complimentary Tickets for Show Sponsors

Show Sponsors are offered ten complimentary tickets to their sponsored production, unless they are a premium sponsor who has purchased a private dress rehearsal for their employees and clients.

Complimentary Tickets for Other Nonprofit Organizations

Upon request, Cottage Theatre may donate a Gift Certificate for a pair of tickets to another nonprofit organization for their use at fundraising auctions or other special events. Such donations are subject to a "ticket donation budget" per show, and are offered subject to availability. An individual organization may request tickets up to once per year. In keeping with our nonsectarian status Cottage Theatre does not donate tickets to religious organizations.

Complimentary Tickets for Other Uses

Requests for complimentary tickets outside of the above categories should be directed to the Executive Director, who has discretion in such matters.
